Application for Sewage Permit – Residential

Please contact this department if the sewage system is for anything other than a single or two family dwelling

Instructions for Residential Sewage Permit:

Step 1 *Application*
Complete the attached application as accurately as possible and submit with payment to the Environmental Health Division of the Shiawassee County Health Department.

Step 2 *Backhoe*
Make arrangements to have a backhoe present at the time of the evaluation with the Sanitarian. A backhoe will allow this department to accurately locate and determine the types of soils present.

A list of registered contractors is available upon request.

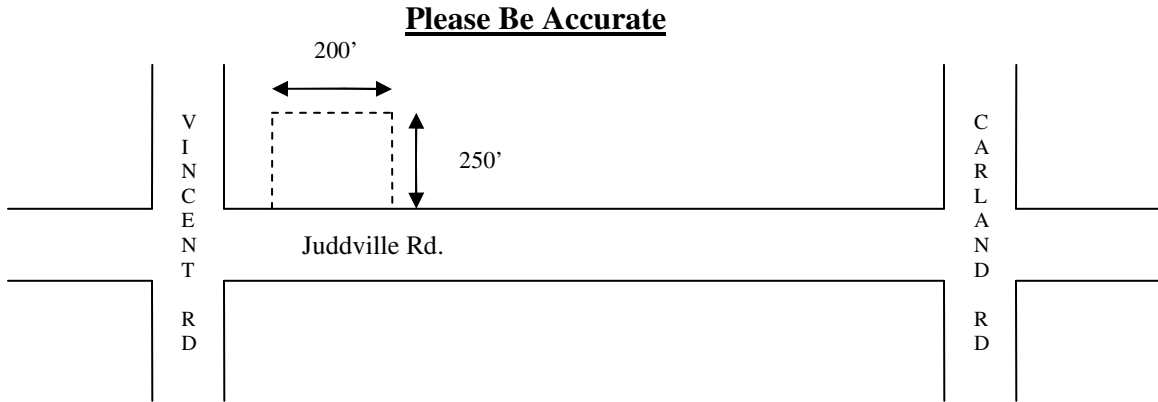

Step 3 The application will not be processed further until we are contacted by a contractor of your choice to set an appointment for the evaluation of the soils. After the evaluation, the Sanitarian will issue your permit.

The best time for the contractor (or homeowner) to call to set an appointment with the Sanitarian is between 8:00 and 9:30 am, Monday – Friday.

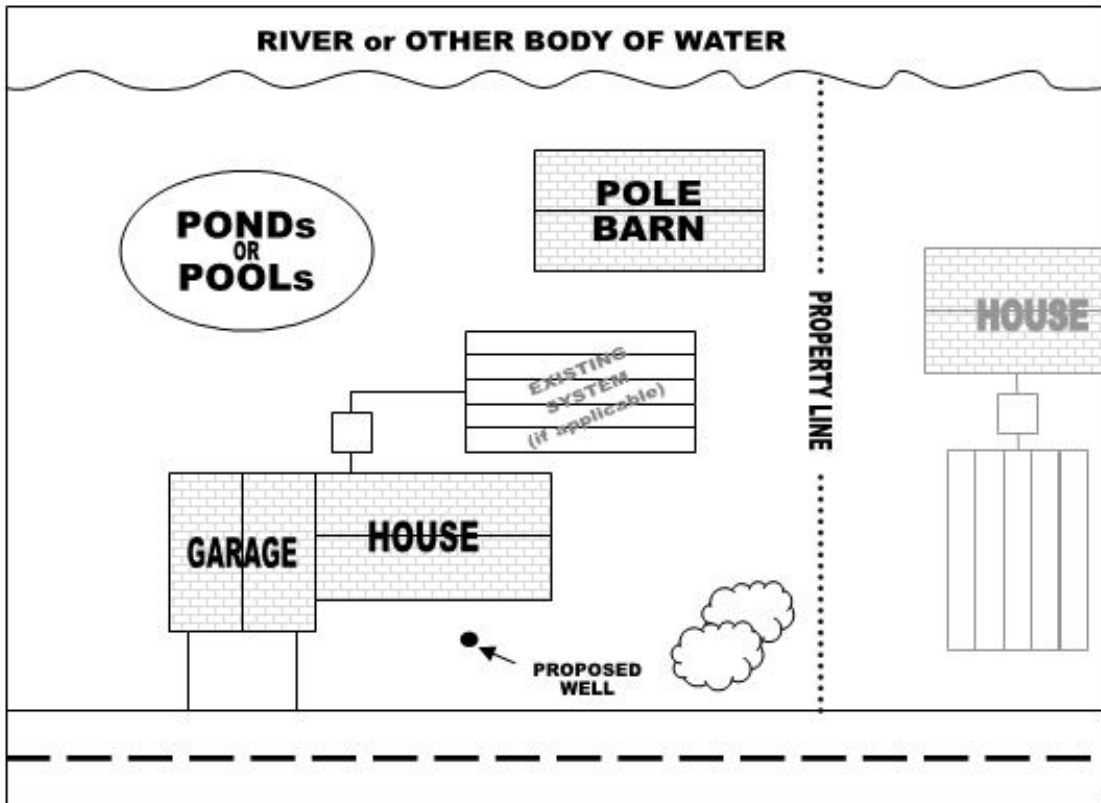

Instructions

1. & 2. Complete all items in these sections
3. General location map – (Sample of how to answer #3)

The following is an example of how to answer Item #3 on the application

- A. Complete the drawing in the same manner as example above
 - B. Please fill out completely
4. The application will not be processed until a backhoe appointment is arranged. The backhoe operator of your choice must contact the sanitarian to arrange such appointment. The best time to reach them by phone is between 8:00 and 9:30 A.M., Monday through Friday.
 5. We must have an accurate scaled or dimensioned plot plan before the permit can be issued.
